

THE BOARDWALK / TRANSGRESSION PARK

COVID-19 CLOSURE

Dear Valued Customers – It is with a heavy heart that we have taken the difficult decision to close the Roller Rink & Transgression Park for the foreseeable future. After meeting with our staff this morning and considering Government recommendations on Social Distancing this is the most prudent thing to do.

Fortunately, none of our staff or customers are known to be unwell at present but in order to safeguard their health and wellbeing we will keep our building closed.

BOOKINGS: Any current bookings to end of May 2020 will be automatically cancelled and refunded where applicable.

CONTACT: We will be unable to man our telephones at this time, but email will be monitored.

BOARDALK RINK: info@boardwalkleith.com

TRANSGRESSION PARK: Hello@transgressionpark.com

We would like to thank everyone for their recent custom and over the past winter months.

Thanks to your support we are currently in a fortunate position in that we can guarantee to cover our staff wages and expenses for the immediate future. We will ensure that we assist our staff in retaining their employment where possible so that we may open again and continue to provide the great sporting facilities you have come to love.

We will update our website and social media where applicable and work towards opening again as soon as is safe and practicable.

Lots of Love, Ken, Natasha & all at The Boardwalk / Transgression Park
